Easy Eco Tips from A Rocha A Rocha UK is a UK registered charity which exists to help protect & restore the natural world & equip Christians & churches in the UK to care for the environment. **October -** Greening your home this Autumn. Tackle climate change and reduce your heating bills by finding and reducing the draughts in your home. Find the gaps that let cold air in and warm air out (keyholes, letterboxes and gaps around windows, doors, loft hatches and floorboards for example). Do what you can to fix these gaps - there are lots of tutorials on how to do this online. It's also a good time to prepare for winter by putting radiator reflector foil or baking foil behind the radiator. This will reflect heat back into your room.
