Easy Eco Tips from A Rocha

A Rocha UK is a UK registered charity which exists to
help protect & restore the natural world & equip
Christians & churches in the UK to care for the
environment.

August - Looking after wildlife in the heat. Times of
drought & dryness can be dangerous for wildlife.
Provide water for birds & insects - put a dish of water
out to help wildlife stay hydrated. Insects, small
mammals, birds, and even badgers, foxes, & deer
could benefit. A stone in a plant saucer helps bees
to perch & drink without drowning. These small
actions make a big difference & are just some of the
ways we can live out our calling to care for God's
creation. See our blog on looking after wildlife in the
heat for more warm weather
